

Wayne Good

Some of my history is, I grew up in the village of Harlowe moved away for work returned approximately 20 years ago applied for and was accepted on council.

Just a quick summary of your questions. I see I'm too late through September 5 like associations will go to the meetings when invited.

Septic degree inspection program do not take. It's mandatory yet as we have a fairly good response for the voluntary.

But I am open for mandatory, possibly in the future if required

And yes, I am for licensing short-term rentals have been for quite some time. Wanted to make sure it was done right and not too costly to the taxpayers.

Top three priorities emergency services try to keep the volunteer rosters adequate number

My number one top priority is I'm here for the taxpayer. Do not believe in spending money on things that you want. It's more if it's really needed, but I'm only one vote. I do my best to convince the rest of council. Thank you for giving me the opportunity to pass along some of my thoughts

Roads as well maintained

Adequate reserve funds for emergencies such as road washouts Wildfires, etc.

If you would like to talk to me in person, my home phone number 613-336-0518 if there's no answer leave a message and I will call you back thanks
